**PRIMARY GLOBAL RESEARCH TO HOST TECH INVESTMENT CONFERENCE  
JUNE 2 AT HARVARD CLUB, NEW YORK CITY**

***20 Industry Experts on 4 Panels to Discuss Semiconductors, Datacenters, Telecom,  
Mobile Computing, Consumer Electronics and More***

**Fred Pollack, Intel Fellow (Retired), to Give Keynote Address**

Mountain View, Calif. (May 2009) – Primary Global Research, LLC (PGR) announced that it will host “**Technology Investment: Primary Global Perspectives,**” a conference for institutional investors and analysts to be held on **Tuesday, June 2** at the Harvard Club of New York City, 35 W. 44<sup>th</sup> Street (between Fifth & Sixth Avenues), beginning with lunch at **12:00 noon** and concluding at 6:30, following cocktails.

The PGR conference will feature four separate panel discussions:

- The Datacenter: Virtualization and Cloud Computing
- Telecom, Cable and Networking
- Mobile Computing & Consumer Electronics
- Energy Technologies: Solar and Wind

In addition to the panels, conference attendees will have the opportunity for one-on-one access with top tech-industry experts, as well as a real-time trial of PGR’s information portal.

“PGR’s Technology Conference demonstrates the exceptional expertise of our analysts and outside experts,” commented Unni Narayanan, Ph.D., president and chief executive officer of PGR. “We are particularly proud of our ability to assemble an event with such distinguished panelists who have the range of proficiency and know-how that spans today’s technology issues that challenge the global investor.”

Added Dr. Narayanan, “This event is a reflection of our leading global presence and our growing ability to provide institutional investors with access to the latest and most critical intelligence and data that drive investment strategy.”
